

REGISTRATION OF TATTOOING ESTABLISHMENT

Use this form if you wish to register a tattooing establishment with the Danish national registry of tattooing establishments. A tattooing establishment is the physical address used for tattooing.

INFORMATION ABOUT THE TATTOOING ESTABLISHMENT

In this section, you must enter the company data for the tattooing establishment.

If the tattooing establishment is not in the Central Business Register (CVR), you must register the tattooing establishment under the proprietor's personal details.

DANISH SAFETY TECHNOLOGY AUTHORITY

FEE

The annual fee for registration is DKK 6.500. It covers the costs for registration and supervision from the Danish Safety Technology Authority.

You will receive an invoice for payment of the fee once we have received your application. The invoice will contain any relevant information on payment methods.

The tattooing establishment will be registered, when we have received your payment.

REGISTER TATTOOIST AT THE TATTOOING ESTABLISHMENT

If the tattooist has a national ID number (CPR), this must be added. In addition, you must enter the name and email address of each individual tattooist. If you are a tattooist at this establishment. The same tattooist can be registered under several establishments where he/she is tattooing. The email address is used for notifying each tattooist by email that he/she has been registered as a tattooist at the tattooing establishment. If you, as the proprietor, also operate as a tattooist, remember to include yourself on the list.

CPR number (if tattooist has a CPR number)	First name	Last name	Email address
