

Documentation of exemption from accessibility requirements

Product or service covered by the exemption

Name of product/service:

Description of the function of the product/service:

Please fill in the following if compliance with the accessibility requirements will result in a fundamental alteration of the product or service:

Please describe why compliance with the accessibility requirements will result in a fundamental alteration of the product or service.

In the case of a partial exemption from the accessibility requirements, it should be clearly specified which accessibility requirements the product or service is considered to be exempted from.

For example: On the basis of the above description, the service is considered to be exempted from the following requirements:

- Section 3, b, iv
- Section 3, b, v

Please fill in the following if compliance with the accessibility requirements will impose a disproportionate burden.

Please describe why compliance with accessibility requirements would impose a disproportionate burden. Criteria for assessing disproportionate burden are outlined in Annex 5 of Act No. 801 of 7 June 2022 on accessibility requirements for products and services. As part of this assessment, please fill in the table on the last page.

By using this exception, you confirm that only your own means are used to improve accessibility (see Section 8(2) of Act No 801 of 7 June 2022 on the accessibility requirements for products and services).

In the case of a partial exemption from the accessibility requirements, it should be clearly specified which accessibility requirements the product or service is considered to be exempted from.

For example: On the basis of the above description, the service is considered to be exempted from the following requirements:

- Section 3, b, iv
- Section 3, b, v
